

Limitations on subcontracting — period-end checklist

Counted subcontracting ÷ government payments, against the limit for the contract type. Dollars, not hours.

-
- ☐ Contract type, applicable limit and measurement period confirmed from the awarded contract.
 - ☐ Government payments for the period totalled from payment records.
 - ☐ Every subcontractor payment allocated to this contract with a source reference.
 - ☐ Similarly situated status verified and documented per subcontractor; lower-tier figures obtained.
 - ☐ Materials separated where the rule excludes them.
 - ☐ Percentage computed exactly and compared with the limit.
 - ☐ Every unknown (unverified sub, unallocated invoice, missing payment record) listed as an open item — not assumed.
 - ☐ Calculation, inputs and evidence references retained for the contract file.
